

Magic Carpet continues to encourage our participants to grow and develop by taking part in a wide range of creative activities including arts, drama, and music.

Moving On for Carers

Would you like to join a new Carers group that will:

- help you develop new arts based skills?
- encourage you to be part of new groups that will meet up socially?
- help you find a college course?
- support you to meet new friends and become more confident?
- enable you to create new art with like minded people?
