

**Magic Carpet** continues to encourage our participants to grow and develop by taking part in a wide range of creative activities including arts, drama, and music.

# Moving On

Moving On is our new 3 year Exeter based project working with people with mental health issues, learning disabilities, and carers who will:

- be supported to take part in community activities with peer friendship groups, enabling people to build a long-term meaningful social life
- develop life skills and confidence to take the step into further education or training
- develop long term benefits for their lives, including self confidence and increased self esteem

Volunteers from this project will gain valuable experience and self confidence that will support their career choices.

If you, or someone you know, would benefit from the Moving On project, or you would like to know more about Magic Carpet, please call Clive Essame or Robert Wynne on 01392 422938 email [cre@magiccarpet-arts.co.uk](mailto:cre@magiccarpet-arts.co.uk)
